

# Silver (XAG/USD) Trade Alert

**BUY SILVER @ 34.68, STOP @ 34.30 (-35) TP @ 35.35 (+70)**

Silver is currently retracing on its uptrend to a major support angle on this nested square. Green arrows mark the previous hits and one can see that the hits are very reactive. This is an intraday swing trade, and the target for the trade is @ 35.35 where the first resistance is located and where the final target lies for this nested square pattern.

Best Regards!
